Consent Form for COVID-19 PCR Testing

Patient's Name (Please Print): _____

Date of Birth: ____/____/____ Mailing Address: _____

Preferred Phone #: (____)_____ Alternate Phone #: (____)_____

ARE THERE ANY BENEFITS?

There may be no direct benefits to you from having this test done. This test may help to find the virus in people who do not yet have all the signs of COVID-19 infection. If people with the COVID-19 virus limit contact with other people, this can prevent others from getting sick. By having this test done, you may lower the chance of spreading the virus.

IF THIS TEST IS POSITIVE, DOES THAT MEAN I HAVE COVID-19?

There is a small chance that this test may give a positive result for the COVID-19 virus when the virus is not there (false positive).

IF THIS TEST IS NEGATIVE, DOES THAT MEAN I DO NOT HAVE COVID-19?

There is a small chance that this test may give a negative result when you do have the virus (false negative).

ARE THERE OTHER CHOICES?

There are no other more reliable, laboratory tests approved by FDA that can be used to tell if you have the COVID-19 virus.

CONSENT and NOTIFICATION STATEMENT

I agree that this laboratory testing can be done on samples taken from me. I have read the above and have had my questions answered. I give my permission to leave test results in voicemail.
