RECOGNIZED NCQA PATIENT-CENTERED MEDICAL HOME

Discount Programs for Eligible Patients

SVT Health & Wellness is pleased to offer discount programs for qualifying patients. Previously, patients were only required to provide a self-attestation of income and household size. However, as of June 15, 2021, patients are required to provide proof of income in order to be eligible for the following discounts:

- Sliding Fee Discount for medical, dental, behavioral health and lab services.
- 340b "Care Card" program offering discounted or free medications.
- Senior Access Grant for dental services provided to patients aged 65+ with no dental insurance.

At your visit to our clinic, you will receive a one-time discount based on your stated income and household size. **That discount is effective for that visit only.** To maintain your discount for future services, you must submit an application with proof of household income prior to your next appointment or within 30 days, whichever comes first. Any of the following documentation is accepted as proof of income:

- ✓ Three (3) months of household paycheck stubs.
- ✓ Most recently completed income tax return or W2.
- ✓ Social Security, Public Assistance, Unemployment, disability or pension statements or benefit letters.

What defines a "household"? Household residents are people who live together in the same household, sharing expenses and meals (typically a family). Unrelated people living in a shared house who do not share income are not considered to be part of the patient's household (such a "room-mate").

After completing your application and gathering your proof of income documents, please call 907-226-2228 to make an appointment with a Patient Benefits Coordinator.

We hope to see you soon.

Emma Schumann, Director
SVT Health & Wellness
